

# ARIA SR900

## Product Data Sheet

MADE IN  
FRANCE

Aria SR900 is a 2-way bipolar surround loudspeaker. Composed of two 5" (13cm) woofers with Flax sandwich cones, it provides very high-definition and natural sound. For the treble register, there are two aluminium/magnesium inverted dome tweeters with Poron suspension and a waveguide for a better control of directivity. Thanks to the Polyfix wall-mounting system provided, the compact SR900 loudspeaker is easy to integrate into your interior.

Aria SR900 Black Satin

### Key points

- Exclusive Flax cone
- Exclusive TNF tweeter
- Speaker drivers developed and manufactured in France by Focal
- Very easy to install thanks to the Polyfix mounting system
